

Nutra Champion

Nominated Person Name

Job Role or Function

Company or organization of nominated person

What is the relationship between the contact person and the nominated person (if any).

Does the nominated person have a primary activity or job function in Asia-Pacific?

Has the nominated person driven industry-wide change or provided other long lasting benefits to the industry through their activities?

Provide a short overview of the main changes or benefits the person driven, and reasons for nomination.

What role did the person have in these changes or benefits? Provide details where possible of direct and indirect impacts.

Provide evidence for the changes or benefits, including documentation, figures, or other proof that backs up the reasons for nomination.

Has the nominated person been recognized for this work already, either within the industry or externally? Where possible provide details of other awards, media coverage or commendations relating to activities.

Please provide any addition information or reasons for this nomination.

Why should your nomination win this award? In no more than 200 words, provide a succinct overview of what makes them a NutraChampion. Summarize the key points of why he or she should win!
